Dear Inala families and carers,

We hope you are well and have had a good week and enjoyed the glimpses of warmer weather.

Everyone continues to enjoy the return to normal programs and we are excited to begin planning for (outdoor and socially distanced) Christmas carols to go ahead in December. More details to come!

We continue to welcome back clients and look forward to seeing you back to enjoy your programs when you are ready to return. Please don't hesitate to contact your direct Manager if you would like to check on anything or to discuss any questions or concerns you may have.

#### **Update from NSW Health**

NSW Health have indicated that traces of COVID-19 have been found in the sewage at the Rouse Hill and Glenfield Treatment plants.

These treatment plants serve the following suburbs:

**Rouse Hill** - Quakers Hill, Castle Hill, Annangrove, Kellyville, Box Hill, Kenthurst, Glenhaven, The Ponds, Rouse Hill, North Kellyville, Kellyville Ridge, Beaumont Hills, Stanhope Gardens, Baulkham Hills, Glenwood, Bella Vista, Parklea, Acacia Gardens and Norwest.

**Glenfield** - Airds, Ambarvale, Appin, Bardia, Blair Athol, Blairmount, Bow Bowling, Bradbury, Campbelltown, Casula, Claymore, Eagle Vale, Englorie Park, Eschol Park, Glen Alpine, Glenfield, Ingleburn, Kearns, Leumeah, Macquarie Fields, Macquarie Links, Menangle Park, Minto, Raby, Rosemeadow, Ruse, St Andrews, St Helens Park, Varroville and Woodbine.

***NSW Health advises anyone that lives or works in these suburbs get tested if you experience any, even the mildest, symptoms.***

#### **Guidelines in relation to staff wearing masks**

As per the advice from NSW Health received last week, *Staff who work in, reside in, or have visited in the last 14 days the LGA areas listed below*, an Inala supplied surgical mask continues to be needed to be worn while involved in direct client support work. They must also be worn when on break or in non-client support activity if social distancing is not possible.

The list of identified LGAs is:

- Camden
- Liverpool
- Wingecarribee

*Staff who do not reside in or have visited any of the LGAs listed below* are at present not required by NSW Health to wear a surgical mask when involved in direct client

support work. However, staff are welcome to wear a mask if they feel more comfortable doing so.

### Guidelines for venues and activities

As part of our risk management strategy and in light of NSW Health recommendations we have not made any changes to the list of venues and activities. We are again sharing our current location risk assessment with you as we hope it might assist you in assessing venues and activities at this most unusual time.

*We continue to avoid indoor venues and activities (this includes shopping centres, indoor bowling, movies, indoor swimming pools etc) and ask staff to focus activities and outings in outdoor settings.*

**Please continue to be diligent in all aspects of your life**

NSW Health communications emphasise the need for heightened vigilance and caution as general community restrictions are eased. Please be assured that Inala staff continue to be diligent in maintaining all the protocols currently in place, including social distancing, temperature checks on arrival, enhanced cleaning and good hygiene. We continue to track visitors to Inala via a questionnaire.

We ask that you continue to be vigilant and follow Government guidelines on wearing masks in areas where you cannot socially distance, particularly in indoor areas and on public transport.

We thank you again for your patience and understanding and as always, if you have any questions or concerns please contact us.

We hope you have a good weekend.

Kind regards,

Martin Porteous  
Joint Chief Executive Officer
